**Clean & Simple:** A one-layer card that's quick, easy, and elegant. This is perfect when needing multiples of a card or to have extras on hand for last-minute needs!

Use masking paper or Post-it Notes to mask off the center of the Basic White layer, and then stamp leaves all around in Pumpkin Pie, Old Olive, Crushed Curry, and Pecan Pie. Stamp greeting with Memento Ink. Use Stampin' Write Marker to draw the lines to make the greeting layer look like it has a mat
