CLUE #5

Adhere the 2½" x 3¼" Basic White layer to the right panel.

CLUE #6

Place the smaller folded piece inside the larger folded piece.

Apply adhesive ONLY where the two center panels overlap and touch.

Do NOT add adhesive to the entire panel or your card will not open correctly!

DON'T GLUE YOUR CARD SHUT! LOL!

CLUE #7

Stamp a sentiment on Basic White scrap cardstock using ink that coordinates with your project.

OR stamp directly onto the card front if you prefer.

CLUE #8

Punch, cut with Paper Trimmer or use dies to cut out your sentiment

CLUE #9

Take Colored cardstock layer and create a mat for your sentiment layer using Punches, Trimmer or Dies

CLUE #10

Adhere the sentiment to the coordinating cardstock mat.

Add both layers to the card front using Dimensionals.

Go rogue! Add embellishments, ribbon, die cuts, or anything else your card needs.

CLUE #11

Fold your card closed and make sure everything lines up.

If needed, make small adjustments before adding any final embellishments.
