CLUE #4

Fold 12" x 4" DSP back and forth into an accordion fold, keeping it folded.

CLUE #6

Stamp sentiment on Basic White if desired (note this is going on the inside of the card, so leave room to sign)

Adhere the Basic White layer to the inside of the card.

CLUE #8

Stamp sentiment on Basic White scrap and trim to fit (you could use dies or punches)

CLUE #9

Create a MATT layer for the greeting, adhere both layers together, and add to the card front with Dimensionals.
