CLUE #1 Your card will be Portrait. Choose a non-directional DSP

1. Colored Cardstock: 4 ¼" x 5 ½"
 - a. 3 ¾" X 5"
2. Designer Paper - 4" X 11", both sides will be seen on this card
3. Basic White Cardstock: 3 1/2" X 4 ¾"
4. Ribbon
5. One-line greeting Stamp
6. Ink
7. Embellishments
8. Adhesive, including scotch tape
9. Pencil and eraser
10. Scoring tool

CLUE #2

From the top of the Designer Series Paper that measures 4" X 11", score at 5 ¼" and 9 ½"

CLUE #3

Fold the DSP on the 5 ¼" score line and decide which side you want to see the most of

Sharon Armstrong sharon@txstampin.com 214-403-6936 www.sharonarmstrong.stampinup.net

Then fold on the 9 ½” score line down to create a front flap

CLUE #4

Wrap a piece of ribbon around the front flap and secure the ribbon on the back of the DSP with tape

CLUE #5

Adhere the DSP to the Colored Cardstock that measures 4 ¼” x 5 ½”

CLUE #6

Adhere the Basic White to the Colored Cardstock that measures 3 ¾” x 5”

CLUE #7

Insert the Basic White/Colored Cardstock into the pocket of your card, and use a pencil to mark the Basic White at the top of the pocket

CLUE #8

Remove the Basic White/Colored Cardstock and stamp greeting on top of the Basic White layer with ink above the pencil mark. Erase the pencil mark. Insert the card back into the pocket

CLUE #9

Does your card need anything else? Embellishments? An image? Add those now!
