CLUE #2

Take the 4¼" x 11" cardstock and score on the 11-inch side at:

- 3"
- 5½"
- 8"
- 9½"

Fold back and forth to create an accordion fold. Burnish all folds well with a Bone Folder.

Set aside

CLUE #3

Add 4" x 5 ¼" DSP to Colored Cardstock that measures 4 ¼" x 5 ½" with your favorite adhesive

Set aside

CLUE #4

Add Basic White layer that measures 2 ¾" x 4" to the 4 ¼" x 11" card on the last panel with your favorite adhesive

CLUE #5

Add DSP that measures ½" x 4" to the right side of the Basic White layer that you just added with your favorite adhesive

CLUE #6

Adhere all DSP pieces to the 4 ¼" x 11" accordion card with your favorite adhesive

CLUE #7

Add your accordion card to the center of the Colored Cardstock that measures 4 ¼" X 5 ½" DSP layer with adhesive

CLUE #8

Wrap the 1" x 11" strip around your card to create a belly band. Make sure it is snug, but not so tight that it won't slide off. Seal the ends together in the front. I like using Tear & Tape for this step.

CLUE #9

Stamp sentiment on Basic White layer that measures $1 \frac{3}{4}$ " x $2 \frac{1}{2}$ "

CLUE #10

Add the sentiment layer to the Colored Cardstock that measures 2" x $2 \frac{3}{4}$ "

CLUE #11

Add the sentiment layer to the belly band with adhesive.

CLUE #12

Does your card need a focal image?

A stamped image, or maybe a die-cut?

Add to your card front on the belly band

Remember—this is YOUR card! CLUE #13

Add embellishments to the sentiment layer if you have room.

MYSTERY SOLVED!

CRAFTY TIP:

I added adhesive in wrong place

So I cut another piece same size

Nice and tidy and protects the leaves

Then I added Tear & Tape down the middle and added it to my belly band
