CLUE #1 – Your card will be Landscape
You will need three different colors of Cardstock

1. Colored Cardstock - 8 ½" x 5 ½", score and fold at 4 ¼"
2. Basic White- 3 ¾" x 5"
3. DSP – 1" x 4 ¼"
4. Same DSP – 1" x 5"
5. Different Colored Cardstock – 1" x 4 ¼", 4" x 5 ¼"
6. Different Color Cardstock – ¾" x 4 ¼"
7. Different Color Cardstock – scrap
8. Stamps – 1-line greeting (like Happy Birthday, Merry Christmas)
9. Stamps – image
10. Versamark Ink or the same ink color of cardstock 5 ½" x 8 ½"
(base)
11. Embellishments
12. Adhesive – including Dimensionals and Liquid Glue
13. Scissors

CLUE #2 – Use Versamark ink or the same color ink as the card base and stamp images on the left half of the card front, filling up that entire area.

CLUE #3 – Starting $\frac{1}{4}$ " from the right side of the card front, glue the 1" piece of Different Colored Cardstock that measures 1" x $4\frac{1}{4}$ "

CLUE #4 – Adhere the DSP that measures 1" x $4\frac{1}{4}$ " the left of the first piece of cardstock on the front of the card, butting the two pieces against each other (Liquid Glue helps this!)

CLUE #5 – Adhere the Different Colored Cardstock measuring $\frac{3}{4}$ " x $4\frac{1}{4}$ " to the left of the DSP on the front of the card, butting the two pieces together (Liquid Glue helps!)

CLUE #6 – Stamp Greeting Colored Cardstock scrap, trim to fit. Then use Snips to angle the ends (at a slat or banner tails).

CLUE #7 – Add the stamped greeting layer to the card front with Dimensionals

CLUE #8 – Add embellishments

CLUE #9 – Stamp sentiment on the Basic White $3\frac{3}{4}$ " x 5" and add to the Different Colored Cardstock that measures 4" x 5" with adhesive, and add both to the inside of the card.

CLUE #10 – Add 1" x 5" DSP to the inside of the card with adhesive
