CLUE #2

Score Colored Cardstock that measures 5 1/2" x 7 1/4" at 4 1/4" on the long side

CLUE #3

Adhere Designer Series Paper that measures 2 7/8" to right front panel of card front with adhesive

CLUE #4

Add Designer Series Paper that measures 1" x 5 1/4" to right side of card (this is technically on the inside of your card!)

CLUE #5

Add the Basic White Cardstock that measures 2 7/8" x 5 1/4" to inside of card

CLUE #6

Stamp greeting on Basic White scrap and use Dies, punches, snips or trimmer to cut it out

CLUE #7

Create a mat for your greeting layer with Colored Cardstock mat, add the two layers together with adhesive

CLUE #8

Add Greeting layers to your card front so that most of it is on the front of the card on the DSP and the rest is on the other piece of DSP

CLUE #9

Look at your card, does it need an image? If so, stamp and cut it out now with Dies or punches, add it to your card front

CLUE #10

Add Embellishments if you want to
